

Dear Parent/Carer

Ahead of the new term, I thought it a good time to write to you as Woodpeckers Teacher to let you know what we are doing next term for each of the subjects your child is studying.

Maths

In **Mathematics** this term.

We are going to learning number bonds 10-30 and continue with using money in real life situations. Will also be looking at measuring volume, length and weight.

English

In **English**.

We are working on three letter high frequency words being able to read and spell them using phonic. I will also be working with Jack to help him read more confidently and with expression.

Science

In **Science**. This term we will study plants and the function of their different parts. We will also be looking at healthy lifestyles.

How to help at home Talk about healthy food options and try out a new health food each week at home.

ICT

In **ICT** We will look at using word or PowerPoint to produce a poster or leaflet based on their interests that will give information.

interests.

How to help at home Use ICT to make a colourful poster about yourself and your

Construction

In **Construction** next term, we are going to be working in line with the creative curriculum next term which is Crime and punishment, and will base the workshop's projects around the classroom learning.

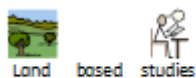

How to help at home: Suggested Activities: increase his knowledge of tools we may use in construction.

Food Technology

In **Food Technology**, We are going to be looking at healthy lifestyles and cooking healthy foods. Hopefully we will also venture out in the community to look at healthy choices in the supermarket.

How to help at home: Introduce healthy foods.

In **Land based studies** we will be looking at the insects and animals that live in the different habitat of the UK and what insect and animals will we come across in our gardens.

At home with winter now upon us, we need to be more observant of what is happening in the fields and hedgerows. We can now see more clearly the country side around us now that the leaves have dropped

We hope that you have enjoyed hearing about what we have planned for next term. If you have any other requests for information, please do not hesitate to contact me.

Yours sincerely

Laura Pichowski

Woodpeckers Teacher
