

## NHS Test and Trace consent form for COVID-19 testing for pupils

This common consent form has been designed for use by parents and carers and under 16s, pupils and students over 16.

- **For pupils and students younger than 16 years** - this form must be completed by the parent or legal guardian.

Please complete one consent form for each child you wish to enrol.

- **Pupils and students over 16** can complete this form themselves, having discussed participation with their parent / guardian if under 18.

1. I have had the opportunity to consider the information provided by Caldecott School about the testing, ask questions and have had these answered satisfactorily, based on the information presented in the letter dated 31/12/2020.

2. In the case of under 16s, I have discussed the testing with my child and my child is happy to participate. If on the day of testing they do not wish to take part, then they will not be made to do so and consent can be withdrawn at any time ahead of the test.

3. I consent to my child having a nose and throat swab for a lateral flow test.

4. I consent that my child's sample(s) will be tested for the presence of COVID-19.

5. I understand that if my child's result is negative on the lateral flow test I will not be contacted by the Caldecott School

I understand that I will be contacted if my child is a close contact of someone who has received a positive test for COVID-19.

6. If the lateral flow test indicates the presence of COVID-19, I consent to my child having a nose and throat swab for confirmatory PCR testing, which shall be sent the same day to an NHS Test & Trace laboratory. I understand that it is quicker to book a PCR test, by ringing 119, as this provides a quicker result.

7. I consent that my child will need to self-isolate following a positive lateral flow test result, until the results of the confirmatory PCR have been received.

8. I agree that if my child's test results are confirmed to be positive from this PCR test, I will report this to the Caldecott School and I understand that my child will be required to self-isolate following public health advice.

9. I consent that if a close contact of my child tests positive but I my child has tested negative, they will continue to attend Caldecott School but will be tested every day at school for 7 days.
